1. Comment. Between 3 and 9 July, elements of the 10th Gds RL Regt of the IX Mtz Rifle Corps from Guestrow had apparently been stationed at the northern portion of Letzling Heath for firing practices. [redacted] it may be assumed that both shipments dispatched to Letzling Heath also carried only M-31 type rocket launchers. 25X1
2. Comment. This shipment probably carried AAA units of the 207th Mtz Rifle Div from Gardelegen. The unit had been stationed at Wustrow for firing practices. 25X1
3. Comment. These shipments probably carried AA units of the 3rd Shock Army; one train was dispatched to Wustrow and three trains were dispatched from Wustrow. [redacted] the shipment on 6 July [redacted] and carried elements of the unidentified regiment of the LXXIX Mtz Rifle Corps to Burg. 25X1
4. Comment. [redacted], one shipment [redacted] was dispatched from Kroepelin to Chemnitz on 8 July, and two shipments, which probably carried elements of the 6th Gds AAA Div, were dispatched from Chemnitz and RBD Dresden to Wustrow. [redacted] 25X1
5. Comment. Three shipments of the 62nd AAA Div from Dessau were dispatched to the AAA firing ground at Wustrow. 25X1
6. Comment. These transports are probably outgoing shipments of the 71st Light Arty Brig, which was transferred in five shipments from Bernau to Altengrabow on 26 June. So far, only two shipments [redacted] were observed indicating a retransfer of this unit to Bernau on 8 July. Eberswalde probably served as forwarding station. 25X1
7. Comment. This shipment probably carried a light AAA unit of the 1st Mecz Div returning from firing practices at Altengrabow. [redacted] mixed artillery units were unloaded at Doeberitz on 11 July. [redacted] 25X1
8. Comment. [redacted]ly, artillery units, probably of the 1st Mecz Div, [redacted] at Jueterbox for firing practices. The shipment [redacted] was confirmed [redacted] 25X1
9. Comment. These shipments of the 2nd Gds AAA Div have been reported previously. [redacted] 25X1
10. Comment. According to observations made at the military post, these shipments carried returning elements of the KVP AAA school to Oranienburg. These elements have probably been stationed at Wustrow. [redacted] 25X1
